HOW WE PASS THE TIME.

Life here, though very pleasant is not very exciting, and reminds one somewhat of Doesticks and his Lager Beer. First thing in the morning we begin to drink No. 1, 2, 3, &c., &c., and then go to breakfast, which we can get from 7 to 9 a. m., then to the quarters or the bowling alley, until about 11 a. m., when the mail comes in, then we proceed to drink some water to settle ourselves for reading the papers. About 1 o'clock the band plays its appearance, and we all drink water until after 2 p. m., when we go to dinner; then a little more water and a nap. About 5 or 6 p. m., everybody is out again and fresh, and then we drink some water for an hour or more, while the band is playing. Then bed, then the ball room, where those who have neither gout nor rheumatism amuse themselves on the "light fantastic" and I think that is the correct expression, and by drinking a little water. The buck comes in the second time about 11 p. m., and at 12, having taken a little water, lights are out and everything quiet generally.

Doing nothing here is made a specialty and is quite a success. I do thoroughly enjoy it.

But I must stop and interview the bell-boy for cobble. I have asked him to [illegible]

STATE NEWS.

Sneak thieves are beginning to be somewhat troublesome in Salisbury.

The new church at Macon, Warren county, was dedicated last Sunday.

Hon. W. H. Battle will be one of the Vice-Presidents of the Episcopal church Congress, to assemble in New York, October the 5th.

From information received from the Secretary of the State Agricultural Society it is almost certain that President Grant will visit Raleigh during the approaching Fair.

A project is on foot to establish a telegraph line from Plymouth via Windsor and other towns to Norfolk, the total cost of which will be $4,500, the shares being $25 each.

The shoemakers of Messrs. Sample & Alexander, at Charlotte, struck on Wednesday because colored workmen were employed. A compromise was effected and the men returned to work the next day.

We regret to chronicle the death of J. N. Blum of Salem, N. C. Who died on Friday last of congestion of the lungs. The deceased was about 63 years of age. He died as he lived, honored and respected by all who knew him, leaving a large circle of relations and friends behind him.

The Winston Sentinel says: Judges Wilson and Cloud will leave in a day or two to hold Surry Court. Both have commissions as Judges and both if they will hold court. So, from present indications it would seem that the Judiciary committee of the other end have to be exhausted. We hope things so as will give rest.

The Charlotte Observer says: Hon. A. C. Barringer left the city last night en route for Egypt, where he goes to take his position as one of the Judges in the new system of International Court, inaugurated by the Khedive between this and other foreign governments, for the protection of foreigners in that country. Mr. Barringer will in due time give notice of his address and the postal arrangements with that country.
